

# **Implementation Timeline for Education Screening**

## **September 2010– December 2010**

Training of the County Education Liaisons (both the 306: Achieving Positive Educational Outcomes and the Training on Content)

## **September 2010 – ongoing**

The County Education Liaisons should return to their agency and begin having discussions with Agency Leadership and staff to develop a plan for training and implementation. Communication should also occur with the local schools and other key stakeholders involved in education related matters regarding the screen and its impact on the work they do. These discussions should be an ongoing, continual process to assure consistent communication and collaboration among key partners involved in educational related matters.

## **December 1, 2010 – May 31, 2011**

The County Education Liaisons must conduct at least one training in their agency using the 306: Achieving Positive Educational Outcomes curriculum.

## **December 1, 2010 – ongoing**

Once staff have been trained by the County Education Liaison, they must begin to use the Education Screen.

## **December 1, 2010 – December 31, 2011**

All county staff must be trained on the 306: Achieving Positive Educational Outcomes workshop.

## **January 1, 2012 – ongoing**

Statewide mandate that all county staff are using the Education Screen with all age-appropriate children and youth.
